*Three horses must be entered to fill and schedule each race. Races with fewer than three entries will be combined with the same-distance race for the same age (for example, 2YO fillies combined with 2YO colts & geldings at 5 furlongs). Purse money for combined races will also be combined (for example, a 2YO combined ICF race at 5 furlongs would include a purse of \$15,000 instead of \$7,500). *Races with fewer than three posted entries after scratches shall be cancelled.*

If more than eight entries are taken for a given race, the Racing Secretary will either: 1) List entries that do not draw positions as “also eligible”, or 2) Split the race into two divisions.

**Distances for the two-year-old races will be based on majority owner/trainer preferences.
